- (5) "PSC" shall mean the Public Service Commission of Wisconsin.
- (6) "Public Safety Answering Point" (PSAP) has the meaning set forth in section 146.70 (1)(gm), Wisconsin Statutes, and in this ordinance refers to the Public Safety Answering Point operated by Kewaunee County.
- (7) "Selective Routing" shall mean a 911 telephone feature which allows 911 telephone calls originating from within a particular telephone office exchange area to be answered at any number of different predetermined PSAPs.
- (8) "Service supplier" shall mean the telecommunications utility which directly contracts with Kewaunee County to provide the E911 emergency telephone system to residents of Kewaunee County. The service supplier may have a contractual relationship with other telecommunications utilities serving Kewaunee County's emergency telephone system area and, to the extent permitted by law, such other telecommunications utilities are included within the term service supplier as used herein.
- (9) "Telecommunications utility" has the meaning-set forth in section 196.01(10) Wisconsin Statutes.

21.06 Construction of Chapter. This chapter shall be construed to be consistent with section 146.70, Wisconsin Statutes, and acts amendatory thereto. In the event of any conflict of any part of this ordinance with said section of state statutes, the remainder of this ordinance shall not be affected thereby and to the extent all sections of this ordinance are declared to be severable.

21.07 Plan of Operation. There is hereby created in the County of Kewaunee an E911 emergency telephone system with a single Public Safety Answering Point located in the communications center of the Kewaunee Safety Building. The system shall be partially funded through a surcharge the telephone bills of the users of said system as permitted by section 146.70(3) Wisconsin Statutes. The service supplier shall provide the essential components of such a system, including, arrangements with other telecommunications utilities to allow the system to be functional throughout Kewaunee County.

21.08 Emergency network and universal number service; installation of equipment. The service supplier shall install and maintain an E911 emergency telephone system and provide a universal central office number (911) for the use of the County's public safety answering point engaged in assisting local governments within the E911 emergency telephone system area in protecting the safety and property of

the general public. The system shall operate so that, when the number 911 is dialed it will provide the 911 system features described in Section 11 hereof to all access lines served by Kewaunee County Sheriff's Department.

- 21.09 Provision of emergency network and universal number service; 24 hour a day availability. The features offered under the E911 system will be available 24 hours a day, seven days a week.
